

Who are CABC?

C.A.B.C. or more formally Computer Aided Business Consultancy Limited was formed in 1993 and are a leading UK supplier of CRM software solutions.

With over 15 years experience with the Maximizer Enterprise CRM product and over 5 years with the Microsoft CRM application CABC's team have the expertise and experience to help businesses improve the performance of their Sales, Marketing and Customer Service teams.

CABC's team of consultants are based in the central location of Newbury in Berkshire from where we are able to support customers through-out the country. We use a combination of on-site consultants and modern virtual meeting tools to deliver consultancy and support to meet the needs of clients as they arise.

Our organisation is structured to enable us to deliver projects effectively based around three customer oriented teams:

The Account Management Team - Who are always available to listen and understand our clients needs

The Onsite Consultants Team - Who undertake our Project Management and all on site activities such as training, installation and business analysis, and solution design.

The In-house Consultants Team - Who undertake software development, data conversion and who operate our telephone support service.

Our customers are distributed throughout the UK but are also located in countries across the world including the United States, Australia, Canada, South Africa and many parts of Europe. The companies we've worked with range in size from sole traders to large corporations with hundreds of users deployed are distributed across a wide range of industries including:

- IT & Technology
- Banking & Insurance
- Media
- Recruitment
- Manufacturing
- Institutes & Associations
- Healthcare
- Telecoms
- And Many Others

Company Board and History
